PMFS 2017-18  
PTO FOOD PROGRAM  
2ns Session

Monday, January 29th, 2017 to Monday, June 11th, 2018

**Background:**

The PTO Food program is organized and volunteer run program to offer lunch alternatives.

All proceeds support PTO sponsored programs, including assemblies, technology, playground equipment and classroom enrichment.

Your support of the food program as a participant and/or a volunteer helps to ensure the success of PMFS.

A fixed menu is set for each food cycle with different food options for each weekday.

Families are welcome to order lunches for as many days of the week as they choose, with no minimum order.

Pricing for the items varies by the day, based on the number of times that day occurs in this cycle. (For example, there are 15 Mondays when school is open and lunch is served in this cycle, with the other days having 17.)

If you have questions about the program, or are available to volunteer, please contact
