

Overview of the PMFS PTO Food Program for New Families

Welcome to PMFS!

The first day of school is just around the corner! With all of the preparations that go along with the beginning of the year, we wanted to fill you in on a delicious lunch option at PMFS. Students at PMFS eat lunch in their classrooms- either packed from home, or provided through the PTO school food program.

Lunch options are available for purchase four out of five days each week, with a soft pretzel snack option on the fifth day. Families are able to sign up twice a year, with different choices for each day of the week. The two enrollment times are in September and in January. There is no minimum order. The food is provided by local restaurants, and the program is entirely volunteer-run. This way, students can enjoy a meal while providing important support to PMFS programs. Proceeds from the program support PTO-sponsored initiatives such as school assemblies, technology, playground equipment and classroom enrichment.

More information and order forms for the fall term will be sent home on the first Friday that school is in session via email newsletter (Virtual Red Folder) and paper folders (aka Red Folders).

The Back-to-School Picnic on September 15 provides an excellent opportunity to sample some of the foods offered by the program, along with volunteers to answer any questions you may have. We look forward to seeing you there!
